Washington, D. C. 20231

TERMINAL DISCLAIMER UNDER 37 CFR 1.321

Dear Sir:

Ortho Pharmaceutical Corporation, Raritan, New Jersey, a corporation of New Jersey, represents that it is the Assignee of the entire right, title, and interest in the above-identified patent application by virtue of an unrecorded assignment executed by Patrick C. Kung and Gideon Goldstein on April 25, 1979, a copy of which is attached hereto.

Ortho Pharmaceutical Corporation hereby disclaims the terminal part of any patent granted on the above-identified application which would extend beyond the expiration of any United States Patent granted on copending application Serial No. 22,132, filed March 20, 1979, and hereby agrees that any patent so granted on the subject application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent issuing from application Serial No. 22,132, this agreement to run with any patent granted on the subject application and to be binding upon the grantee, its
